

I, Rachel the Curious, as the Queen of the Kingdom of Stabilitas, in my authority as the embodiment of The Crown, hereby formally issue an apology on behalf of the Kingdom of Stabilitas for various actions of its legal predecessors, the ComradeMr Republic and the Marxist People's Republic of Burkland.

- The Kingdom of Stabilitas hereby apologizes for the Marxist–Leninist ideology of the pre-Natlandist ComradeMr Republic and the Marxist People's Republic of Burkland. The Kingdom of Stabilitas hereby resolves to fight against Marxism–Leninism and all other communist ideologies, as well to raise awareness of the crimes committed by communist regimes and how they are the inherent consequence of communist ideology.
- The Kingdom of Stabilitas hereby apologizes for the Natlandist ideology adopted for a time by the ComradeMr Republic. The Kingdom of Stabilitas hereby resolves to fight against Natlandism if it ever should again become an ideological force in the micronational community.
- The Kingdom of Stabilitas hereby apologizes for the Marxist People's Republic of Burkland deceiving the intermicronational community about the location of the territory it claimed. The Marxist People's Republic of Burkland falsely claimed to be located in the City of New York in the State of New York, when in actuality it was located in the State of Oregon. The Kingdom of Stabilitas hereby resolves to be honest about its location in a way that protects the privacy of Stabilitans.
- The Kingdom of Stabilitas hereby apologizes for the Marxist People's Republic of Burkland declaring independence from the United States of America, a declaration without legal or moral merit. The Kingdom of Stabilitas hereby resolves to acknowledge and respect the sovereignty of the United States of America, as well as the state sovereignty of the State of Texas, on which the territory of the Kingdom of Stabilitas is located.
- The Kingdom of Stabilitas hereby apologizes for the antagonistic approach to intermicronational foreign policy adopted by the Marxist People's Republic of Burkland. The Kingdom of Stabilitas hereby resolves to adopt a friendly approach to intermicronational foreign policy, provided other micronations adopt a friendly attitude to us.
- The Kingdom of Stabilitas hereby apologizes the extreme anti-Israel stance

adopted by the Marxist People's Republic of Burkland. The Kingdom of Stabilitas hereby resolves to officially recognize the State of Israel and to support Israel's right to defend itself, while also supporting the human rights of the Palestinian people.

- The Kingdom of Stabilitas hereby apologizes for the unilateral nature by which Rachel Burklandssen made decisions for the Marxist People's Republic of Burkland, in violation of its republican nature. The Kingdom of Stabilitas also apologizes for there never been an election conducted by the Marxist People's Republic of Burkland during its entire existence. This does not incur responsibilities on the Kingdom of Stabilitas as the Kingdom of Stabilitas is a monarchy with The Crown as the source of its authority.

This apology is by no means comprehensive, and future apologies for the actions of the ComradeMr Republic and the Marxist People's Republic of Burkland may be made.

The Kingdom of Stabilitas is the legal successor to the ComradeMr Republic and the Marxist People's Republic of Burkland, and this incurs with it important obligations to repair the damage done by the Comrader and Burklandi governments. In fact, one of the functions of the Kingdom of Stabilitas is to repair the damage done by the ComradeMr Republic and the Marxist People's Republic of Burkland and establish a micronation worthy of a rightful place among the micronations of the world. The past can never be undone, but we can create a brighter future together.

An apology on behalf of the Kingdom of Stabilitas for various actions of its legal predecessors, the ComradeMr Republic and the Marxist People's Republic of Burkland is hereby issued by The Crown on the 12th of November in the 2020th year of the Common Era.
